Need multifocal daily contact lenses?

Today is your Biotrue® day

Every day looks better*

*Compared with glasses
Eyes naturally change as you get older.

It’s called presbyopia, which literally means ‘ageing eye’. It is an age-related eye condition that makes it more difficult for you to see things up close.

Biotrue® ONEday for presbyopia. Designed for sharp vision near, far and everywhere in between.

With Biotrue ONEday®, you can see all distances clearly.
